

Alexandria Gazette.

FRIDAY EVENING JAN 19, 1894.

LOCAL INTELLIGENCE.

Sun rises to-morrow at 7:12; sun sets at 5:30. High water 6:30 a. m. and 6:30 p. m.

WEATHER PROBABILITIES.—For this season clear to-night; cloudy weather and easterly winds to-morrow and probably rain by tomorrow evening; slight clearing in temperature.

NOT A RAID.—It was reported in police circles on Wednesday that Sheriff Welch, of Alexandria, had made a raid on the "Monte Carlo" or Jackson City gamblers, but one of the visitors to that place gave the information that the raid amounted to nothing. He said that the sheriff created a little excitement in the lawless village by discharging his pistol and then taking possession of some policy paraphernalia. Subsequently, he said, the property taken was sent back to the policy man.

Every week or two a report is spread among the policy dealers of Rosslyn to the effect that the places are to be raided. Business is then suspended until the advertised hour has passed. Sometimes the constables, sheriffs, etc., show up, and sometimes they don't. But whether they show up or not no arrests are ever made. What appears to be a compromise is always effected. The county, though, is never made the richer. The report, it is alleged, comes in at headquarters, that no evidences of policy playing have been found. These alleged raids, though, the officials of the county think necessary to prove to the people at large that it is their desire to promote the morality of the section.

After every appearance of the law representatives the vice seem to expand with new life. Owing to the apparent protection given them, Georgetown's petty gamblers, and worthless citizens spend half their time at the Virginia end of the bridge. Monday it was advertised that there would be a raid. Accordingly, the shops were closed to prove to the good Georgetowners and Virginians when the constables came up that there was no such thing as policy playing being carried on within the sacred precincts of the State that has produced Washington, Jefferson, Jackson City, brick clay and peanuts. A few weeks ago a communication was sent to the Star's Georgetown representative, which stated, for the benefit of the public, that "the morality of old Virginia would be preserved, though in its preservation every tree in the State would have to be uprooted in the search for the promoters of the vice."

It was later ascertained by the Star that the communication had been sent by one of the foremost supporters of policy.—Washington Star.

CHOIR MEETING.—The annual meeting of the choir of St. Mary's Church was held last night at the parsonage on Duke street, Rev. H. J. Cutler presiding. Mr. Joseph Monroe was re-elected organist; Mrs. Julia Monroe directress, and Mrs. Nettie Brill assistant directress. After the meeting the members repaired to the spacious dining room where all the refreshments and delicacies of the season were spread to appease the craving appetite of the inner man. After partaking heartily of the repast, and listening to the many toasts, the many guests wended their way homeward, much pleased with their evening's enjoyment. Among those present were Rev. John Rothford, Rev. Father Keuffel, Rev. Father Cutler, Mrs. Monroe, Mrs. Brill, Mrs. Bowers, Misses M. Lyles, M. Green, L. Greenwood, H. Hill, K. Nugent, M. Monroe, M. Dwyer, Messrs. J. Stone, Thos. Burroughs, J. Monroe, P. Dyer, J. H. Strider, E. Lyles, F. Birrell and Wm. L. Hoy.

WEDDING.—The wedding of Mr. William C. Gould, of Washington, and Miss Mary Greenwood, daughter of Mr. Charles W. Greenwood, of this city, took place at the residence of the bride's parents on Wednesday night at 7:30 o'clock, and was largely attended by relatives and friends of the contracting parties. Rev. Father Cutler, of St. Mary's Church, performed the ceremony. Mr. Matthew Acton acted as best man and Miss Ida Gould as maid of honor. A reception was held at the residence of the bride's parents after the ceremony. The tables were decorated with palms and flowers. Mr. and Mrs. Gould were the recipients of many presents. The newly-wedded pair left on the 9:15 train for a trip to New York and Boston.

PERSONAL.—State Senator Mushbach and Delegate Bendheim have returned from Richmond to spend a few days at their homes in this city, the Legislature having adjourned last Monday.

Mrs. Fulton, of Elliott City, Md., is visiting her sister, Mrs. Carlin, on Duke street.

Mr. Wm. Murray has returned from Baltimore where he went to have a cat removed from his eyes.

Mr. Armstrong's little boy continues bright and well. He will remain in New York under treatment for some time yet.

MASONIC.—At the meeting last night of Andrew Jackson Lodge the Master Mason's degree was conferred in a most impressive manner, the "work" being done in excellent style. There were present, besides a large number of Masons from this city, delegations from several of the lodges in Washington who complimented their Alexandria brothers on the excellence of their degree work. After the lodge closed the visitors were hospitably entertained at the Hotel Fleischmann, where a bountiful supper was spread and at which a number of speeches were made.

THE PHILLIPS CASE.—As stated yesterday in the case of Phillips against the Commonwealth, Judge Lacy of the Court of Appeals reversed the decision of the Corporation Court of this city which sentenced Jeff Phillips to eight years in the penitentiary for the killing of G. S. Smith. The decision of the lower court was reversed and the case remanded for a third trial on the ground that the Corporation Court erred in overruling a motion of the accused for a continuance on account of the absence of a very material witness—J. H. Greene.

POLICE COURT.—Mayor Strauss presiding.—The following cases were disposed of this morning:

A colored youth arrested by Officer Griffin for tossing cents on Wilkes street, was dismissed with a reprimand.

Jacob Brooks and Jane Smith, arrested by Officer Arrington for fighting, were fined \$3 each.

Night Report.—Last night was cloudy and cool. One prisoner and eighteen lodgers were at the station house.

THE POLICE BALL.—Every arrangement for the comfort and pleasure of those who will attend the police ball to-night has been made, and nothing calculated to insure its complete success has been omitted. The citizens have responded liberally to the calls of those having the affair in charge, and quite a number of tickets have been disposed of. One whole-souled citizen contributed five dollars toward swelling the receipts and some others, it is expected, will follow his example.

ATTEMPTED TO BURN A HOUSE.—Joseph Williams, colored, has informed the police that some fiend attempted to set fire to his mother's house, on Franklin street, near Washington, a night or two ago. The intended victim is a sister of the late George Seaton, and widow of Joseph Williams, who was for many years sexton of the Second Presbyterian Church.

PLEASANT EVENING.—A very pleasant time was spent last evening at the residence of the Misses Thompson, on South Lee street, at a reception given by them to a number of their friends. The evening was spent in games, music, &c., while the inner man was fully satisfied with the many good things on the supper table.

LOCAL BREVITIES.

Good oysters are now a drug at the dock in Baltimore at 35 and 40 cents a bushel.

The Mercantile Railway, Building and Loan Association of this city has organized a local branch at Fairfax Courthouse.

Three women—two colored and one white—who escaped from the alms house yesterday, returned to that institution last night.

Mr. John W. Albaugh has concluded not to build a theatre in Washington. He has secured an interest in the Opera House on Fifteenth street.

Mr. Matthews, of the Theological Seminary, will give a Bible lecture to-night at Christ Church Chapel at 7:30 o'clock. All are cordially invited to attend.

It was Peyton Mason, colored, who was fined in the Police Court yesterday for unlawfully removing the contents of an outhouse, and not Peter Mason, as was published.

An excursion party, under the personal conduct of the Pennsylvania R. R. Company, came here this evening and went to Mount Vernon over the electric railway.

With the exception of the closing of the banks and the giving of holiday to the children of the public schools, Gen. Lee's birthday was unobserved in this city. Lee Camp will give a banquet to-night.

Marriage licenses were issued in Washington yesterday to John J. Jenkins and Estelle Rollins, both of Westmoreland county, and to George Rosenberg and Alice Faulkner, of Fairfax county.

A thief last night got into the yard of Mr. J. T. Henderson, on Prince street, near Pitt, and stole a lot of table linen, &c., and also the contents of a refrigerator. Other premises in the neighborhood were also robbed.

Mr. Douglas M. Pattie, a former well known citizen of Fauquier county, died yesterday at his home at Rapidan, Culpeper county, and will be buried tomorrow at Warrenton, his old home. He was the father of Mrs. A. A. Warfield, of this city.

A pleasant party was given last night by Mrs. Jesse Murray at her home in Fairfax county. To accommodate the Alexandrians and Washingtonians who attended, Superintendent Holden, of the electric railway, ran special cars that road, and his courtesy was appreciated by all. A most charming time was spent by all present.

THE COUNTRY SQUIRE.—Mr. Archie Boyd, an experienced actor, who has been playing the part of Joshua Whitcomb in the "Old Homestead" for the past four seasons, will present at the Opera House to-night a new rural drama, "The Country Squire." Mr. Boyd's success in the part of Joshua Whitcomb and his well-earned reputation as an actor insure excellence from a dramatic standpoint, while Manager Clapham's experience and energetic methods cannot fail to win financial success.

The consensus of opinion of the most intelligent persons in the country is that it is the best. Mr. Charles Beer, Blairville, Pa., says: "There is no remedy made in the United States to equal Dr. Bull's Cough Syrup. We have used it in our family for four years for croup and it stops it immediately. I don't see how we would do without it."

POLK MILLER'S 100% LIVER PILLS. Sold by Druggists and Country Storekeepers everywhere, or at 10c, or mailed on receipt of price in stamps. Polk Miller Drug Co., RICHMOND, VA.

What will it do? Medical writers claim that the successful remedy for nasal catarrh must be non-irritating, easy of application, and one that will reach the remote parts and inflamed surfaces. The history of the efforts to treat catarrh is proof positive that only one remedy has completely met these conditions, and that is Ely's Cream Balm. This same and pleasant remedy has mastered catarrh as nothing else has ever done, and both physicians and patients freely concede this fact. Our druggists keep it.

Elgin's Best is the best Butter made Price 35 cents per pound. New Buckwheat and Pure Pork Sausage Meat. Try them. Sweet Florida Oranges. Extra Fine Malaga Grapes, large clusters. Cape Cod Cranberries. One barrel New York Cider. One barrel Pittsburgh Kraut. Cucumber Pickles; also Sweet Pickles. Fine Home-canned Peaches, only a few left.

B. H. JENKINS, je2 Cor. Duke and Fairfax streets.

When Baby was sick, we gave her Castoria. When she was a Child, she cried for Castoria. When she became Miss, she clung to Castoria. When she had Children, she gave them Castoria.

CONFEDERATE VETERANS.—The members of R. E. Lee Camp, Confederate Veterans, who intend participating in the celebration of General R. E. Lee's birthday, FRIDAY, January 19th, will meet on that evening at 7:30 o'clock at their rooms, in uniform. By order of the Commander EDGAR WARFIELD, Adjutant.

CHOICE DARK CAPE COD CRABBERIES received to-day by J. C. MILBURN.

FIFTY-THIRD CONGRESS.

SENATE.

The Senate was not in session to-day, it having adjourned yesterday to meet on Monday.

HOUSE.

The House went into committee of the whole to consider the Wilson bill. An agreement was then entered into, whereby three hours, immediately after the House goes into committee of the whole next Monday, will be given to debate on the sugar schedule, and the vote will then be taken on any amendments which may be offered.

Mr. Dalzell asserted that Mr. Johnson had misled the committee into the belief that he was a manufacturer of steel rails in general, whereas he was a manufacturer of a particular style, and a monopolist in that class; that he had mis-stated the facts before the committee; that he was anxious to have steel rails put on the free list, while he was still protected by 102 U. S. patents; that he forced his employees into receiving their wages in one-third cash and two-thirds scrip; that he had made a statement on the floor of the House in regard to the redemption of those certificates which was untrue; that he privately altered the stenographer's notes and inserted in the Record a statement he did make on the floor, which was untrue.

Again, referring to the question of scrip, he asserted this scrip was hawked about the streets of Johnston and that it was bought up by a relative of Johnson at a discount. The statement of Mr. Johnson that he paid better wages than the other mills, Mr. Dalzell characterized as untrue. He had direct evidence from a person who was in a position to know that the wages paid at the Johnson mill were not higher than at the other mills.

The amendment proposed by Mr. Johnson putting steel rails on the free list was lost by a vote of 79, all democrats, in the affirmative, to 100 in the negative.

Mr. Henderson offered an amendment to substitute the existing law for the agriculture schedule of the Wilson bill. He spoke in favor of the amendment which is still under discussion.

Judge Charles P. Thompson, of the superior court of Massachusetts, died at his home in Gloucester this morning. It is reported that the judge committed suicide.

NEWS OF THE DAY.

Near Manchester, a suburb of St. Louis, yesterday evening, Horace Johnson, a negro, criminally assaulted two old white women—one 60 and the other 70 years old. The negro was arrested and to prevent his being lynched was taken to the jail in St. Louis. The crime, occurring on the day following the crime and lynching of Buckner, another negro ravisher, and within three miles of the scene of his brutal deed, has thrown the suburban community into a frenzy that nothing but blood will appease. The prisoner will be taken to Manchester under a heavy guard to day, when it is thought that a collision between the mob and the officers will occur.

There was great interest in financial circles in San Francisco yesterday over the possibility of a big suit against C. P. Huntington being brought by Mrs. Leonard Stanford, executrix of her late husband's estate, to recover several millions said to have been withheld by him. A dispatch from San Francisco to-day says there will be no legal suit. Mrs. Stanford fully understands all the circumstances and an accounting can be had whenever desired.

Secretary Carlisle believes from offer for bond already received that the total offering will aggregate nearly \$200,000,000, and that the price will reach \$120 making the bond practically bear 2½ per cent. interest.

Mr. James W. Robinson, who was bitten by a dog October 24 last, died of hydrophobia, in Baltimore, yesterday.

The Jacksonville Fight.

JACKSONVILLE, Fla., Jan. 19.—Sheriff Broward returned from Tallahassee this noon. He went to get full and detailed instructions as to his duty. He says Gov. Mitchell is indignant over the defiant attitude of the club and says that the fight will be stopped at all hazards if possible to do so. The Sheriff says the fight will not come off here in this county if he can prevent it, and he thinks he can. Rumor that the city chief of police has sworn 400 special deputies to arrest the militia if they interfere in the contest, as the city had given a license for it, has caused some commotion, but while not denying it, city officials laugh at it. The club people say that they will pull the fight off in secret, but seem exceedingly anxious about it. Jack Dempsey will second Corbett. Bets are 100 to 60 in favor of Corbett.
